--

Source stated that, because of the shortage of material and lack of skilled labor, the Mathias Thesen Shipyard in Wismar would not fulfil the 1953 quota for repairs. Source prepared the following list:

Name of Ship Under Repair	Target Date as per 1953 Quota in percent	State of completion planned by HV Ship- building, dated 16 July 1953 in percent	State of completion planned by the shipyard, dated 18 July 1953 in percent
KALININGRAD	100	87	78
LENINSKIY	89	82,5	82,5
VORONESH	72	55	62
VOLOGDA	87	70	62
SESTRORETSK	71	50	43

Although as a result of supply of material the 1953 quota was overfulfilled for LFN SOVIET, source doubted that the plan would be fulfilled.
